

# CIRCLE Dashboard 2013-2014

## Program Highlights

- Identity development is a key strength of CIRCLE, **70%** of participants strongly agree that CIRCLE has helped them critically analyze issues of identity and race.
- **81%** of CIRCLE participants can identify at least one lesson learned from CIRCLE programs.

*“At the Chinese American Museum for our site visit, I learned a lot about the importance of community involvement in the lives of APASS...”*

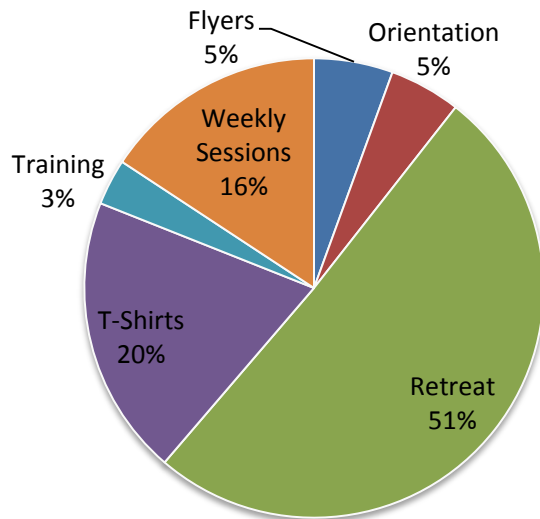

- **87%** of CIRCLE participants can identify at least 3 historical moments that have shaped the Asian and Pacific Islander experience
- CIRCLE participants developed a stronger knowledge of class and socioeconomic issues through the retreat activity “Star Power”, which **77%** of participants ranked as very impactful.

## Ethnicities of CIRCLE Participants

Total # of Participants: 61

## Total Program Budget (excluding staff wages)

## Areas of Improvement

- Increase South Asian and Pacific Islander student participation.
- Facing tighter budgets, find areas for cost savings, particularly from Retreat costs
- Increase diversity of partnerships and collaborations from Community Based Organizations, Student Affairs Departments, and Student Organizations

## New Directions

- Incorporate a theory-to-practice approach for Teaching Assistant training and Facilitator development
- Determine activities and discussion time, in sessions and in retreat, centered around gender-based harassment, recognition of bias, and APA student leadership development
