

# APASS Peer Dashboard 2013-2014

## Program Highlights

- **91%** of mentees agree and strongly agree that they could communicate with their mentors whenever different issues came up throughout their first year of college.

*“Being a PEER mentee allowed me to start off my year at USC with ease, knowing that I have at least one person to easily talk to. My mentor was welcoming and open-minded, which made it easy for me to open up...”*

- **91%** of mentees and 100% of mentors agree or strongly agree that their PEER mentorship was built on trust.
- **71%** of PEER mentors were able to identify at least 3 historical moments that have shaped the Asian American and Pacific Islander Experience

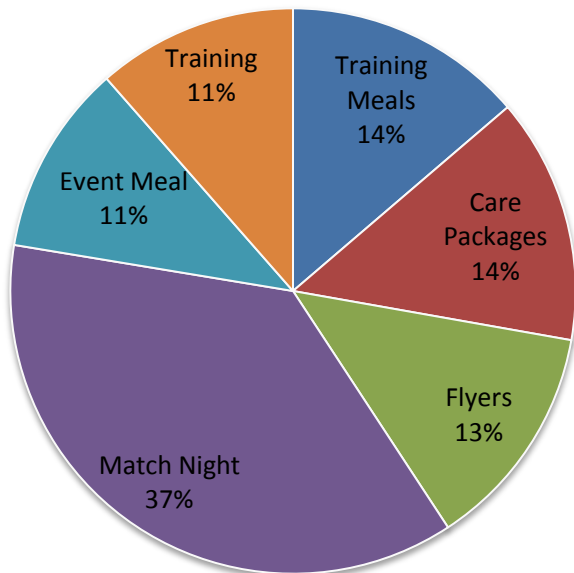

**A mentor expressed:** *“PEER is great. There is a potential to foster a stronger community, one that can immerse the mentees in the broader APA community at USC.”*

## Ethnicity of Mentors and Mentees

Ethnicity of Mentors (Red/Top Bar) and Mentees (Blue/Bottom Bar)  
Total # of Mentors: 47 and Total # of Mentees:80

## Total Program Budget (excluding staff wages)

## Areas of Improvement

- Although **71%** of PEER mentors were able to identify at least 3 historical moments that have shaped the Asian American and Pacific Islander experience, only **43%** of PEER mentees were able to.
- Increase South Asian and Pacific Islander participation.

## New Directions

- **67%** of PEER mentors expressed that weekly supervisions were only “slightly helpful”. Reformatting mentor supervisions to stay relevant and current for mentors.
- Both mentees and mentors suggested for APASS to host more social events.
